

# Baby Bottle Boomerang

Your Loose Change Can Change a Life

## What is it?

The Baby Bottle Boomerang is an opportunity for your church to give the gift of life to unborn children by supporting the work of the North Baton Rouge Women's Help Center (NBRWHC).

You choose the date, contact us, then at a mutually convenient time, baby bottles will be supplied to you for distribution. The money collected from these bottles are used to help save the lives of unborn children.

Mothers experiencing unplanned pregnancies have a choice to make, and that choice is the difference of life or death for their unborn child. Your gift, combined with those of other churches, means our center will be there to help those mothers make the right choice.

## How to Participate

1. Bottles, ready for distribution will be delivered to you.
2. You make the bottles available to members of your church.
3. Those choosing to take the bottles will have two to three weeks to fill it with a check, coins, or currency. (You determine the date the bottles are due to be returned).
4. When the bottles are returned to you, we will pick them up.
