## About Scott

A passionate and engaging platform speaker, Scott has appeared on several nationally syndicated programs like "Focus on the Family" with James Dobson, Billy Graham's "Hour of Decision", and "Faith Under Fire" with Lee Strobel, just to name a few.

As a guest speaker in bio-ethics, Scott has taught, lectured, and debated pro-life apologetics at numerous prominent colleges and universities across the nation.

He's published several articles and *The Case for Life*, his signature book written to help pro-life advocates understand the intellectual arguments that support their position and to articulate them in a productive manner.

Scott is a graduate of UCLA with honors. A native of Los Angeles, he now resides in a suburb of Atlanta GA, with his wife and four children.
